

**Mr Brightside – The Killers Strumming pattern: D – D – U – U – D – U (C7+ is same as C/B)**

Coming out of my cage and I've been doing just fine  
Gotta gotta be down because I want it all  
It started out with a kiss how did it end up like this?  
It was only a kiss it was only a kiss  
Now I'm falling asleep and she's calling a cab  
While he's having a smoke and she's taking the drag  
Now they're going to bed and my stomach is sick  
And it's all in my head but she's touching his chest now  
He takes off her dress now let me go  
And I just can't look it's killing me  
And taking control  
  
Jealousy  
Turning shapes into the sea  
Turning through sick lullaby  
Choking on your alibi  
But it's just the price I pay  
Destiny is calling me  
Open up my eager eyes  
I'm Mr. Brightside
