Introduction - **[C] [G] [C] [C]**

In **[C]** every other song that I've heard lately, **[G]** some fellow gets **[C]** shot,  
**[C]** And his baby and his best friend both die with him, **[G]** as likely as **[C]** not.  
In **[F]** half of the other songs some Cat's crying, **[C]** or ready to die.  
**[C]** We've lost most all of our happy people,  
**[G]** and I'm wondering **[C↓]** why.

**[NC]** Let's think about **[G]** living..let's think about **[C]** loving.  
Let's think about the **[G]** whoopin' and hoppin and boppin'  
and the lovie, lovie **[C]** dovin'.  
Let's forget about the **[F]** whinin' and the cryin' and the shooting and the dying..  
and the **[C]** fella with a switchblade knife..  
Let's think about **[G]** living..let's think about **[C]** life.

**[C]** We lost old Marty Robbins down in El **[G]** Paso, a little while **[C]** back.  
And now Miss Patti Page or one of **[G]** them, is a wearin' **[C]** black.  
**[F]** Cathy's Clown has Don and Phil where they **[C]** feel like.... they could die.  
If we keep on losin' our singers like that, I'll **[G]** be the only one you can **[C↓]** buy!
