

Intro: **Am / Em / D /// D /// Am / Em / D /// D ///**

Let it **Am** never be said, the **Em** romance is dead  
 'Cause there's **Bm** so little else, occu-**D**-pying my head  
 There is **Am** nothing I need, 'cept the **Em** function to breathe  
 But I'm **Bm** not really fussed, doesn't **D** matter to me (2.3.4.1.2.3. stop)

**D /** Ruby, Ruby, Ruby, **Am / Ruby Em / D ///**

Due to **Am** lack of interest, tomor-**Em**-row is cancelled  
 Let the **Bm** clocks be reset, and the **D** pendulums held  
 'Cause there's **Am** nothing at all, 'cept the **Em** space in-between  
 Finding **Bm** out what you're called, and **D** repeating your name (2.3.4.1.2.3. stop)

**Em** Could it be, could it be, that you're **C** joking with me?  
 And you **Am** don't really see you and **D** me-**Eb**-ee
